Award Application Form

Part 2 – To be completed by the Applicant or a parent or guardian

*Any information given will be treated in confidence and will only be circulated to the Trustees.  
It will not be made available to any other person or organisation.*

The policy of this Trust is only to make awards to those applicants who without the award would not be able to take advantage of an opportunity.

*Please supply some evidence that funding the amount you are seeking by yourself or by means of your immediate family will be a hardship. If you can obtain funding from elsewhere for part of the expenditure, how much would that be?*

The larger the award requested the more detailed this evidence needs to be. For large awards we need a general statement of parental and personal income and expenditure, together with the details of the number of dependants in the family and the stage each has reached. For small awards evidence such as “in receipt of free school meals” will suffice.

I declare that the information supplied on this form is, to the best of my knowledge, correct.
